

# Political Prisoners' Birthdays in April

Send a birthday card for these political prisoners. It's an easy way to help remind these freedom fighters they aren't forgotten. If you make one, remember- don't use anything like white-out, stickers, tape or glitter on it. We also recommend that you put your name and address and their name and prisoner number on the card, lest the authorities "lose" the envelope and forget where it is going. If you would like to add a birthday or sign up for our poster mailing list, email us at [ppbirthday@riseup.net](mailto:ppbirthday@riseup.net). Brought to you with love by the Chapel Hill Prison Books Collective. [prisonbooks.info](http://prisonbooks.info)

In 1972 California abolished the death penalty and he was resentenced to Life WITH the possibility of parole. But because of his political beliefs he remains in prison while 98% of people in death row in California in 1972 have been released.
